

AUTO ACCIDENT CHECKLIST.

Take a deep Breath.

1. Notify the police/ambulance and keep calm.
2. Assist anyone who may be injured.
3. Don't discuss the accident with anyone but the investigating officer. Don't admit fault. If injured make sure you the tell the police.
4. Obtain all the following information from the other driver:

Name: _____
Address: _____
Driver's Licence Number: _____
Licence Plate Number: _____
Insurance Information Including Policy Number: _____

5. If any witnesses get their name, address and phone number.
6. Take photographs of both cars.
7. Seek medical care even if to just be on the safe side. Serious injuries do not always cause immediate pain.
8. Call your insurance company or agent.
9. Do not provide a statement to the other's drivers insurance company.
10. Do not sign anything until you speak with an attorney. Contact a lawyer with experience in handling personal injury cases. At the Sharp Firm we will be glad to give you free advice with no obligation.
11. Try to map your accident position as accurately as possible:
