<--Second Fold Horizontal-->

1. Notify the police/ambulance and keep calm.
2. Assist anyone who may be injured.
3. Don't discuss the accident with anyone but the investigating officer. Don't admit fault. If injured make sure you tell the police.
4. Obtain Name, Address, Licence Number, & vehicle number from the other driver.
5. If any witnesses get their name, address and phone number.
6. Take photographs of both cars.
7. Seek medical care even if to just be on the safe side. Serious injuries do not always cause immediate pain.
8. Call your insurance company or agent.
9. Do not provide a statement to the other's drivers insurance company.
10. Do not sign anything until you speak with an attorney. Contact a lawyer with experience in handling personal injury cases. At the Sharp Firm we will be glad to give you free advice with no obligation.
